3) Dangerous and offensive trades — Stone quarrying is not an offensive trade This has to be excluded

The license fees proposed for carrying on offensive or dangerous trades seem to be much higher than are to be found in Siddaghatta (viz) Rs 10 and Rs 15 - against Rs 2 uniform in the latter case Rs 5 and 10 may be fixed

Byelaw no 8 (i) An addition of the words "or egress" after "ingress" is necessary

Byelaw no 9 (iii) the word "in nooses" should be replaced by "in nooses" (iv) for the clause "which may fall to be deposited upon" which may fall or be deposited upon" seems to be more appropriate
